OCFA Hosts “Station Open Houses” During National Fire Prevention Week

Irvine, CA – Designated Orange County Fire Authority fire stations will be hosting open houses this Saturday, Oct. 14, 2017, from 9 a.m. to 2 p.m. The station open houses are designed to bring fire prevention awareness to communities during National Fire Prevention Week, Oct. 8 thru 14. OCFA’s station open houses (cities and locations listed below) will give families an opportunity to meet and greet their neighborhood firefighters, tour their local fire stations, and hear about ways they can stay fire safe.

The open house theme this year is a reminder that everyone needs to have an escape plan, “*Every Second Counts: Plan 2 Ways Out!*” In a fire, seconds count. Seconds can mean the difference between residents of our community escaping a fire safely or the event ending in tragedy. Practice home fire drills twice a year and teach children how to escape on their own in case you can’t help them.

On Saturday, Oct. 14, come out and visit on of your local fire stations listed below:
