Orange County Fire Authority Seeks Public's Help, *Releases Video of Suspect in Yorba Linda Arson*

Irvine, Calif – The Orange County Fire Authority (OCFA) is asking for the public's help in identifying a man suspected in a Nov. 3, 2014 Yorba Linda arson. On the video, a heavy set male wearing a red pull-over jacket can be seen approaching a Felicia Drive residence, hurling an object through a window, igniting a container of fuel, throwing it through the broken window, and then running away.

The suspect fled the scene after starting the fire at 10:34 a.m. on a child's BMX style bike and headed east on Felicia Drive toward Avenida Rio Del Oro and Yorba Linda Blvd. He is described as also having dark complexion, brown or black hair, and wearing clear glasses. It is believed that by igniting flammable liquid, a flash fire occurred, as seen on the video, briefly enveloping the suspect in flames. He may have suffered burns to his right hand, arm and face as well as singed his facial hair. The suspect was last seen wearing blue jeans and the red pull-over jacket which may have also been burned by fire.

OCFA's Investigations Services Section is requesting any information the public may have in identifying the suspect. If you, or anyone you know, has information as to the identity of the suspect or any information associated with this fire, please contact the Orange County Fire Authority Investigations Services Section at 714-573-6720 or ocfainvestigator@ocfa.org
