

Orange County Fire Authority

Laguna Niguel Ember/ Fire Hazard Severity Zones

Instructions:

On 11/19/2019 the City Council of the City of Laguna Niguel locally adopted the Very High Fire Hazard Severity Zone.

This map helps homeowners and developers determine whether exterior wildfire exposure construction standards found in the California Building Code and California Residential Code apply to their residential or commercial construction project.

Reference the legend on each map to guide you in decision making for your project.
For further information, please contact the City or County Building Department.
